

Come to the Little Red Barn

Beginning Knitting
or
Introduction to Spinning

The Beginning Knitting class will meet once a week for six weeks, for two hours each session. Class participants are encouraged to bring in project ideas or questions, and to work independently on what they have learned between sessions. E-mail or phone support is available during the week.

The cost for the six-week class is \$90. This fee includes a pair of needles, yarn for stitch practice and for a small introductory project, and an instructional booklet. I will also supply a list of internet sources for free patterns and on-line tutorial help, a list of recommended books, and other resources.

The Introduction to Spinning class will meet once a week for three weeks, for two hours each session. The cost for the three-week class is \$50. This fee includes a drop spindle, practice wool, a wheel to use both in class and between classes (with security deposit) and all other supplies.
